FIRST GALENA
GOLF PERFORMANCE STUDIOS
Built Better, Built Faster

MODERN DOUBLE BAY

Year Round Golf Experience

Take golf to the next level “year round” with one of First Galena’s Golf Performance Studios. These modular buildings are delivered “turn-key” with the latest golf technology of your choice. Play 18 holes on the simulator, teach lessons using motion & video analysis, fit golf clubs using a launch monitor, hit balls from inside out onto a driving range, it’s all possible with our studio designs.
